

NIPPER MEMBERSHIPS - RENEWALS

Step 1

Go to www.brontesurfclub.com.au/new-members/nipper-membership.html. Click on Nipper Membership (New and Renewals).

Step 2

Click on Create Account at the top of the page. It will ask you:

Are you now or have you ever been a member of a Surf Club or SLSA Organisation (eg Lifeguard, Academy Course)?

Click YES so it can find your child's details in the database.

Step 3

Enter details. The website will only accept details that match the details already recorded in the previous season. If you are having trouble logging on please contact the office at nippers@brontesurfclub.com.au to enquire about the correct details from the existing database.

You will be asked for:

Membership Name:	First and Last name of child being registered
Date of Birth:	DD/MM/YYYY
Email:	Parents' email address used by the surf club
Mobile:	Primary mobile number used

Step 4

An email to activate your account will be sent to you. Open the email and click on the link to activate your child's account. This will take you to a Welcome webpage. Select "click here".

Step 5

Click on "renew". Do not click on "make payment" at this stage.

Step 6

Check your membership details are correct and agree (check boxes) for membership declarations and submit.

Step 7

To pay for your child/childrens' membership fees click on the link to the payment gateway. Complete the payment form for the total payment you will be making and avoid having to make separate payments for each registration. For Transaction Type please select Membership Fee or Joining Fee from the drop down box. Please enter your child/childrens' names as the description. You can then proceed to register other family members.

Nipper Membership Fees are:

\$120 one child

\$180 two or more children

\$35 Nipper parent membership

We encourage at least one parent per family to accompany their child during the nipper sessions. If you are not already an active member then the way to ensure you are insured is to register as a nipper parent. Follow the instructions for creating new nippers to register yourself as a nipper parent and then your progress in the surf club can be tracked.

Step 8

Please come to the registration days if you need to supply us with proof of age or your child needs to complete a proficiency swim.

INFORMATION FOR NIPPER RENEWALS AND NEW NIPPERS

INFORMATION FOR FAMILIES

All accounts created on Lifesaving Online are for individuals only and not families. You will need to create separate membership accounts for each child. You can still pay for the whole family in one go, but because children earn awards as individuals every child needs their own Lifesaving Online account.

Note: You will most likely use the same email address and password for each child.

PROFICIENCY SWIMS / NEW MEMBERS

We appreciate that you have taken the time to register online. If you are registering children for ages U8 and over you will still need to come in on registration days and let them complete a proficiency swim (unless they are U11 and over and you have a signed swimming certificate from their coach).

If your child is U6 or new to nippers you will still be required to come in and show proof of age (either a birth certificate or passport).

REGISTRATION DAYS – 18 SEPTEMBER / 25 SEPTEMBER

Alternatively, you can bring your signed registration forms to the Club Office on Mondays and Tuesdays between 9am and 3pm or to either of the Registration Days.
