NIPPERS NEWSLETTER WEEK 10

After a holiday hiatus...the newsletter returns! We hope you stayed warm and dry during stormageddon last week. Here's to the remaining school holidays being filled with fun, relaxation and plenty of sunshine!

Some of our kids are gearing up for the final carnivals of the season and our training groups have resumed for all those enrolled.

SHARK ACTIVITY

We have been shaken by the recent bull shark attacks and upset for all those affected. We expect that our Nippers families may feel a range of emotions about getting back into the water following these events.

At Nippers this Sunday, we will do what we do every week: make a thorough risk assessment with the Waverley Council Lifeguards prior to, and during, Nippers about all aspects of water safety: conditions, wave size, swell direction, tides, water quality, visibility and any marine creature activity.

If the flags are up and our assessment allows the Nippers water program to go ahead, we will be staying close to shore and will not be doing any long-distance paddles. As advised by SLS Sydney Branch, we will also have the IRB in the water with its engine running throughout Nippers as engine noise provides an additional deterrent to marine animals. Please feel free to raise any concerns. No Nipper is required to participate in water activities if they are uncomfortable to do so.

FAREWELL AND THANK YOU STU WERNER!

We wish Stu Werner and his family the very best with their move to NZ! Stu has been Age Managing the U12 boys with so much care and such a sense of fun since the beginning. We will miss you!

Commitment! registrations have closed. If you have signed up your Nipper to Branch or State, the commitment you made on behalf of your child is important to their fellow teammates and to the Club. Teams have been formed, based on your registrations, volunteer quotas are set based on these same registrations, and the Club has paid a significant entry fee bill for Branch. Nippers and volunteers are expected to attend. So...blank the diary, collate your gear, tell the school if your child needs to be excused from sport or class and pitch in for a great experience! If your circumstances have changed, please **email asap your age managers, team members and: nippers@brontesurfclub.com.au.**
