## Background

A. These Regulations are made under rule 25 of the Bronte SLSC Constitution. They contain directions and requirements of the Club which are binding on the Club and its Members, but are not of a nature which justifies inclusion in the Constitution. These Regulations are to be interpreted in accordance with and are subject to the Constitution.

B. These Regulations are made for the dominant purpose of ensuring a safe and fair system within which surf lifesaving at the Club may be regulated and conducted. They are not made for any anti-competitive purpose and in particular not for the purpose of deterring or preventing a person from participating or competing in any competition or activity conducted or organised by the Club.

C. Defined terms used in these Regulations have the same meaning as they would have if used in the Constitution.

D. Any ruling by the Board on the interpretation of these Regulations is final and conclusive for the purposes of the matter in respect of which the ruling is made.

E. These Regulations must be read consistently with the Constitution. Where any provision of these Regulations is inconsistent with the Constitution, the Constitution prevails.

## 1. MEMBERSHIP

### 1.1 Membership Sub-categories

The Members of the Club are organised into five general categories and fifteen sub-categories in accordance with rules 8.2 and 8.3 of the Constitution. The sub-categories, and the applicable eligibility and obligations for each, are as follows.

#### 1.1.1 Junior Members comprise:

- **Junior Activity Members**, who shall be a minimum age of five (5) years and up to a maximum age of thirteen (13) years. Junior Activity Members participate in the Surf Life Saving Australia Junior Development Program and are expected to work towards achieving the relevant Surf Education Certificate for their age group each season. Completion of the relevant Surf Education Certificate recognises achievement of the prescribed surf education outcomes but is not a requirement for continued Junior Activity membership. Junior Activity Members are not eligible to vote at General Meetings.
- **Cadet Members**, who shall be a minimum age of thirteen (13) years and up to a maximum age of seventeen (17) years, who must hold the Surf Rescue Certificate or have passed the annual proficiency test, and who fulfil patrol and Club obligations by participating in the Club's Cadet program. Cadet Members are not eligible to vote at General Meetings.

#### 1.1.2 Active Members comprise:

- **Active Patrol Members (15-17)**, who must hold a Bronze Medallion, fulfil patrol and Club obligations per SLSCA and these Regulations, and qualify in an annual proficiency test unless the Bronze Medallion was obtained in that season. Active

Patrol Members (15-17) patrol under the Club's Cadet program by default, or may elect to patrol under the Director of Lifesaving's adult roster. Active Patrol Members (15-17) are not eligible to vote at General Meetings.

- **Active 18+ Members**, who must hold a Bronze Medallion, fulfil patrol and Club obligations per SLSA and these Regulations, and qualify in an annual proficiency test unless the Bronze Medallion was obtained in that season. Active 18+ Members are eligible to vote at General Meetings.
- **Award Members**, who qualify for Award Membership in accordance with Regulation 1.3, which requires both holding a qualifying SLSA award and fulfilling the patrol and/or Club obligations required for that award. Award Members are eligible to vote at General Meetings.
- **Reserve Active Members**, who may be granted Reserve Active membership in accordance with Regulation 1.2. Reserve Active Members are eligible to vote at General Meetings.

**1.1.3** Community Members may be granted to persons not directly participating in lifesaving activities (for example, social or volunteer activities). Community Members have no voting rights and no access to SLSA insurance or Workers Compensation Act 1987 (NSW) coverage.

**1.1.4** Associate Members comprise:

- **Associate Members**, who may be granted to persons who may or may not hold an SLSA award. Associate Members are not eligible to vote at General Meetings.
- **Probationary Members**, who are any person between applying for membership and gaining an award and/or formal category membership. Probationary Members are not eligible to vote at General Meetings or stand for election as a Director.
- **General Members**, who may be granted to persons who may or may not hold an SLSA award. General Members are not eligible to vote at General Meetings.
- **Leave Restricted Members**, who may be granted to Members requesting absence from Club duties for a defined period (for example, deployment, work, pregnancy or travel). A Member may apply in writing to the General Manager for Leave Restricted status, which is granted at the discretion of the Board. Leave Restricted Members are not eligible to vote at General Meetings.

**1.1.5** Honorary and Service Members comprise:

- **Long Service Members**, in accordance with Regulation 1.5. Long Service Members are eligible to vote at General Meetings.
- **Past Active Members**, in accordance with Regulation 1.6. Past Active Members are not eligible to vote at General Meetings.
- **Honorary Members**, in accordance with Regulation 1.7. Honorary Members are not eligible to vote at General Meetings.
- **Life Members**, in accordance with Regulation 1.8 and rule 8.9 of the Constitution. Life Members are eligible to vote at General Meetings.

## **1.2 Reserve Active Membership**

**1.2.1** A Member who applies in writing to the General Manager may, with the approval of the Board, be transferred to Reserve Active Membership if the Member has completed eight (8) qualifying years of active service - or such lesser number as the Board may in special circumstances approve.

**1.2.2** A qualifying year of active service is a membership year in which the Member was a Cadet Member (13-17), an Active Patrol Member (15-17), an Active 18+ Member, or an Award Member, and performed a minimum of thirty (30) hours of patrol or other Club service of a type recorded in the Club's patrol or service records during that year.

**1.2.3** A qualifying year of reserve active service is a membership year in which the Member was a Reserve Active Member and performed a minimum of twelve (12) hours of patrol or other Club service of a type recorded in the Club's patrol or service records during that year.

**1.2.4** In computing the qualifying years of active service referred to in Regulation 1.2.1, a membership year spent on leave of absence granted to enable the Member to perform service as a member of the armed forces of Australia is deemed to satisfy the hours requirement in Regulation 1.2.2 for that year and counts as a qualifying year of active service.

**1.2.5** An applicant for membership who has been granted Reserve Active Membership, or the equivalent, of another club affiliated with SLSA may, in the discretion of the Board and subject to any conditions the Board may impose, be admitted to Reserve Active Membership of the Club.

## **1.3 Award Membership**

**1.3.1** Award Membership may be granted by the Board to a person who holds one or more of the following SLSA awards:

- Surf Rescue Certificate (SRC);
- Advanced Resuscitation Technique (ART) certificate;
- First Aid Certificate or equivalent as recognised by SLSA from time to time;
- Radio Operator Award;
- UAV (Unmanned Aerial Vehicle) Operator Award; or
- any other SLSA award determined by the Board by resolution from time to time.

The Board may update this list by resolution as SLSA standards and awards evolve. This is the sole list of qualifying awards for the purposes of rule 8.3 of the Constitution and this Regulation.

**1.3.2** Qualification for Award Membership – A person qualifies for Award Membership only if, holding a qualifying award under Regulation 1.3.1, that Member has in the immediately preceding membership year:

- performed a minimum of thirty (30) hours of patrol or other Club service of a type recorded in the Club's patrol or service records; and
- otherwise complied with any Club obligations determined by the Board from time to time.

Patrol or service hours performed as part of the Club's Cadet program are counted for the purposes of this Regulation.

Award Membership, and the voting rights that attach to it under rule 16.1 of the Constitution, is assessed at each annual renewal of membership under rule 8.7 of the Constitution, based on qualifying hours performed during the immediately preceding membership year. A Member who first obtains a qualifying award during a membership year is first assessed for Award Membership at their next renewal.

**1.3.3** Non-patrol contributors – a person whose contribution to the Club is not connected to standard patrol (including Nipper Age Managers and similar volunteer roles) cannot currently qualify for Award Membership under Regulation 1.3.2 until the Club establishes a tracking mechanism for non-patrol service hours. The primary obstacle is the absence of a time-recording system for these roles equivalent to the patrol-based system. The Board will establish such a tracking mechanism within a timeframe to be determined by resolution, at which time this exclusion will be reviewed and Regulation 1.3.2 will apply to non-patrol contributors.

**1.3.4** Nothing in Regulation 1.3.3 prevents a person who also performs standard patrol duties from qualifying for Award Membership on the basis of their patrol hours under Regulation 1.3.2.

## **1.4 Community Membership**

**1.4.1** Community Membership may be granted by the Board to a person not directly participating in lifesaving activities, including without limitation persons engaged in social or volunteer activities at the Club.

**1.4.2** Community Members have no voting rights and do not have access to SLSC insurance or Workers Compensation Act 1987 (NSW) coverage in their capacity as Community Members.

**1.4.3** The Board may determine eligibility conditions for Community Membership from time to time.

## **1.5 Long Service Membership**

**1.5.1** A Member who applies in writing to the General Manager may, in the discretion of the Board, be transferred to Long Service Membership if the Member has completed ten (10) years that are qualifying years of active service (as defined in Regulation 1.2.2) or qualifying years of reserve active service (as defined in Regulation 1.2.3).

**1.5.2** A membership year spent on leave of absence granted to enable the Member to perform service as a member of the armed forces of Australia counts as a qualifying year of active service for the purposes of Regulation 1.5.1, in accordance with Regulation 1.2.4.

**1.5.3** An applicant for membership who has been granted Long Service Membership, or the equivalent, of another club affiliated with SLSC may, in the discretion of the Board and subject to any conditions the Board may impose, be admitted to Long Service Membership of the Club.

## **1.6 Past Active Membership**

**1.6.1** Past Active Membership may be granted by the Board to a Member who:

- has completed at least three (3) years that are qualifying years of active service (as defined in Regulation 1.2.2) or qualifying years of reserve active service (as defined in Regulation 1.2.3); and
- is no longer performing active patrol duties on a regular basis; and
- has made a substantial contribution to the lifesaving and patrol operations of the Club during their period of active service.

**1.6.2** An application for Past Active Membership must be made in writing to the General Manager and is subject to Board approval.

**1.6.3** Past Active Members are not eligible to vote at General Meetings.

## **1.7 Honorary Membership**

**1.7.1** The Board may invite a suitable person to accept appointment as an Honorary Member of the Club. Each appointment is reviewed annually by the Board for renewal.

**1.7.2** The Board may, in special circumstances, appoint an Honorary Member for a term not exceeding one (1) month.

**1.7.3** The number of persons holding Honorary Membership granted under Regulation 1.7.1 shall not exceed forty (40) at any one time.

**1.7.4** There is no limit on the number of times an Honorary Member's appointment may be renewed under Regulation 1.7.1.

**1.7.5** Honorary Members are not eligible to vote at General Meetings.

## **1.8 Life Membership**

**1.8.1** Members of the Club may be nominated for Life Membership in accordance with rule 8.9 of the Constitution. The procedure is:

- any Voting Member, when seconded by another Voting Member, may nominate a Member for Board consideration for Life Membership;
- the Board may appoint a committee comprising Life Members and other Voting Members of the Club to give consideration to a nominated Member and provide a recommendation to the Board (the Board is not bound by that recommendation);
- the Board may consider and recommend to the AGM that a Member be appointed as a Life Member; and
- the AGM must confirm the appointment by Special Resolution.

The Board recommends; the AGM confirms. Life Membership may not be conferred by Board resolution alone.

**1.8.2** In determining whether to recommend a Member for Life Membership, the Board will consider whether the Member has rendered distinguished service to the Club and surf lifesaving, including:

- a sustained and conspicuous contribution that brings distinction to the Club over an extended period of time; or
- an individual contribution attributable to the nominated Member that the Board considers to be unique and of lasting benefit to the Club or surf lifesaving.

**1.8.3** In making this determination, the Board will consider what distinguishes the nominated Member's contribution from that of other Members of the Club.

**1.8.4** A Member approved by the AGM must accept or reject the Life Membership in writing. Life Membership becomes effective when the Board enters the Member's details on the register.

## **1.9 Voting Rights**

**1.9.1** Voting rights at General Meetings are as set out in rule 16.1 of the Constitution, which determines voting eligibility directly by membership sub-category (including the distinction between Active Patrol Member (15-17) and Active 18+) and the general voting age floor at rule 16.1(d). This Regulation does not restate that list. Qualification for Award Membership and Reserve Active Membership (which carry voting rights) is addressed in Regulations 1.3 and 1.2 respectively.

**1.9.2** A Director may vote at a General Meeting only if they are a Voting Member in accordance with rule 16.2 of the Constitution.

**1.9.3** A Member whose Annual Subscription is in arrears may be prevented by the Board from exercising voting rights in accordance with rule 9 of the Constitution.

**1.9.4** A Member must be a Financial Member at the time of a General Meeting to be entitled to vote at that meeting. A Member who has not paid their Annual Subscription by the date of a General Meeting is not a Financial Member for that meeting, even if their membership has not yet lapsed under rule 11.3 of the Constitution.

## **1.10 Voting Age**

**1.10.1** Eligibility for election as a Director is limited to Members aged 18 years or over in accordance with rule 19.1(b)(i) of the Constitution.

**1.10.2** Advisors to the Board of Management are not subject to a minimum age requirement, in accordance with rule 18.3 of the Constitution.

## **1.11 Members on Approved Leave**

**1.11.1** Members who have been granted leave of absence by the Board (for example, due to injury, parental leave, military service or extended travel) retain their membership sub-category and the voting rights associated with that sub-category during the approved leave period.

**1.11.2** A Member on approved leave is not required to fulfil patrol or service obligations during the leave period. Hours accrued during approved leave do not count toward the Award Membership qualification threshold in Regulation 1.3.2 unless the Board resolves otherwise.

**1.11.3** The Board may grant approved leave by resolution for such period and on such conditions as it determines.

**1.11.4** Approved leave under this Regulation is a different mechanism from Leave Restricted membership under Regulation 1.1.4: approved leave preserves the Member's existing sub-category and voting rights for a defined period, whereas Leave Restricted status is itself a distinct, non-voting sub-category.

## 1.12 Inter-club Transfers

Applications for membership by a member from another surf lifesaving club must comply with the procedures determined by the Board from time to time.

## 1.13 Insurance and Workers Compensation Coverage

Members have access to SLSCA insurance and Workers Compensation Act 1987 (NSW) coverage appropriate to their membership category and activities, except where expressly excluded elsewhere in these Regulations (see Regulation 1.4.2, Community Members). This includes Honorary Members, Water Safety personnel (who hold Active Patrol Member (15-17) or Active 18+ membership), and Age Managers and Nipper Assistants (who hold at least General Membership).

# 2. DIRECTORS

## 2.1 Portfolio Structure

**2.1.1** The Board comprises eight (8) permanently named Director portfolios in accordance with rule 18.2(a) of the Constitution:

1. President
2. Director of Finance
3. Director of Lifesaving
4. Director of Nippers
5. Director of Cadets
6. Director of Education
7. Director of Surf Sports
8. Director of Communications and Community Relations

All eight portfolios are subject to annual election at the AGM in accordance with rule 19 of the Constitution. The Board may not open fewer or more than eight positions at any AGM, as the Board is fixed at eight elected Directors under rule 18.2 of the Constitution.

## 2.2 Director and Operational Officer Role Mapping

**2.2.1** Several Director portfolios carry a corresponding operational officer title. Where a single person holds both the Board Director role and the corresponding operational title, they exercise governance authority as a Director and operational authority as the officer. The Board may, by resolution, appoint a separate person to hold an operational title where no Director concurrently holds it.

| Board Director Role    | Operational Officer Title | Notes                                      |
|------------------------|---------------------------|--------------------------------------------|
| Director of Finance    | Treasurer                 | Statutory officer role; see Regulation 4.5 |
| Director of Lifesaving | Club Captain              | See Regulation 5.1                         |

**2.2.2** The President, Director of Education, Director of Nippers, Director of Cadets, Director of Surf Sports and Director of Communications and Community Relations do not carry a separately designated operational officer title.

**2.2.3** The Public Officer role required under the Associations Incorporation Act 2009 (NSW) is appointed by the Board in accordance with rule 23.2 of the Constitution. The Board may appoint the General Manager to the Public Officer position by resolution.

## **2.3 Bronze-Qualified Portfolio Designations**

**2.3.1** In accordance with rule 18.2(b)(ii) of the Constitution, the three additional portfolios beyond the Director of Lifesaving that carry the Bronze-Qualified Member nomination requirement are:

- Director of Education
- Director of Nippers
- Director of Cadets

**2.3.2** Together with the Director of Lifesaving (constitutionally required to be a Bronze-Qualified Member under rule 18.2(b)(i)), the four portfolios requiring candidates to be Bronze-Qualified Members at the time of nomination are:

1. Director of Lifesaving
2. Director of Education
3. Director of Nippers
4. Director of Cadets

**2.3.3** A nomination for any of the four portfolios listed in Regulation 2.3.2 from a person who is not a Bronze-Qualified Member is invalid and shall not be accepted.

**2.3.4** This list may be amended by Board resolution, provided the constitutional minimum of four Bronze-Qualified Directors is preserved at all times in accordance with rule 18.2(b) of the Constitution.

## **2.4 Director Eligibility**

**2.4.1** To be eligible for nomination and election as a Director, a person must satisfy the requirements of rule 19.1(b) of the Constitution, including being aged 18 years or over and being a Financial Member at the time of nomination and at the time of election.

**2.4.2** There is no minimum period of membership required before a person may nominate for election as a Director.
